

## Payment Options

As a Lifetime Health Medical Group patient, several payment options and plans are available to you if you are unable to pay your balance in full at the time of service. **Call 1-800-585-1270 for more information on any of the options below, or for any other billing questions.**

### **BUDGET PLANS**

If you cannot pay your balance in full at the time of service, we are happy to help you set up a budget payment plan\* with bi-weekly or monthly installments. Additional balances added to budget plan after initial set up do not raise the amount of your installments.

*\*Accounts that have already been turned over to a collection agency are not eligible for budget payment plans.*

### **ONLINE BILL PAY**

Online bill pay is available at [www.lifetimehealth.org](http://www.lifetimehealth.org). Just click on the "Services" button on the home page and select "Online Bill Pay" from the list. You can also send questions to our Billing department through this service.

### **AUTO BILL PAY**

Auto bill pay can also be set up for you through our online system, using the "Ask a Biller" feature on [www.lifetimehealth.org](http://www.lifetimehealth.org), or by calling 1-800-585-1270. You must keep a credit card on file for the Auto Bill Pay, and the card may be debited on the day of the month that is most convenient for you.

### **DISCOUNTS**

In some cases, discounts may be offered on your outstanding balance. Please call 1-800-585-1270 to speak with a patient representative for more information.
